Whispers from The Brighter World

Thursday, November 10, 2016 – 10:00 a.m.

Immerse yourself in this ocean of love, where your heart is ecstatic and fully enjoys this unparalleled advance. Our readers benefit from it; many do not and this is regrettable, especially for them. We cannot force anything, only try to progress further in this transmission, which is very specific to our spiritual path. Sahaj Marg is a precursor, in a way, making it possible through this means to reach out to so many beings calling for the Divine. Future times will highlight this very special aspect; its action is always justified, in such cases, when so willed by the powers that guide us. Spirituality is an aspect greatly neglected in this world. Happy are those beings sufficiently enlightened to devote the necessary time to it.

In its apparent simplicity, Sahaj Marg is nevertheless very active. The future will shed light on this unprecedented action, for the good of all our participants who are sufficiently committed to advance in a very specific way.

We wish the best to all, under our blessings on this day, which is also unique in its own way. So it is.
